# Performance, quality plus choice

The choice is yours... SolarBright daylighting systems give you exceptional performance plus a unique range of functional options.

## Diffusers

**Prismax®**  
Most widely used in the skylight industry. Excellent efficiency in light transmission and glare reduction.

**Warm**  
New and modern design. A matt surface which softens the light and provides a warm and soft light.

**Aurora®**  
Transmitting and spreading light effectively in any room.

**Auroramax®**  
The new Fresnel micro-optic lens is engineered to transmit every ray of light evenly regardless of the sun angle. AUORAMAX® The ultimate diffusion lens.

## Domes

In addition to our revolutionary Raycatcher® your SolarBright skylight comes with other optional domes:

- Solarlens® Dome** - The original dome with optic lens
- Butterfly Dome** - Clear dome with butterfly lens

## Cutting edge technology in daylighting

**Raycatcher® Dome**

- Registered design active dome
- Captures low light angles
- Minimize midday light intensity
- Crystal clear surface
- Excusively engineered and designed
- Durable injection moulded design

**Seamless, Flashing Leak-proof roof system**

- Seamless injection moulded part
- Designed to suit most roof types
- Engineered with pitch for maximum performance

**M-Silver Tube®**

- Durable Solid Aluminium - not laminated polymer
- Transmits pure white light
- Highest reflectivity at low sun-angle
- It will not yellow, crack or peel after prolonged UV Exposure
- 15 year warranty

**Optical Diffusion System**

- Registered Micro-Prism design
- Unique triple layer diffuser kit
- Blocks harmful UV transmission
- Advanced Fresnel lens for optimum performance

## How it works...

Advanced optical dome engineered to capture the sunlight and bring it down into the tube, even during low-light hours.

The light travels through an extremely reflective mirror-like tube.

Light enters your home and spreads evenly in the room through triple lens diffuser.

Model	Covering Area	Potential Length
DL50	19m <sup>2</sup>	7m+
DL400	25m <sup>2</sup>	10m+

**15 YR WARRANTY**

## Add style & elegance

## Stylish Trims

**White**  
Our standard door trim is the most popular choice. It blends with majority of ceilings.

**Glass Overlay**  
Add class to your skylight with a glass overlay that coordinates with your ceiling.

**Stainless Steel**  
Designed to match other Stainless Steel finishes on your ceiling.

**Glass Eclipse**  
Designed to add a touch of elegance with a glass look.
